

# Community Farmers Market Vendor Contact Information

Community Farmers Market is very proud to serve as a local marketplace for Warren County and surrounding counties. While CFM will remain OPEN, we are aware that some high-risk populations may be unwilling or unable to shop with us at the Market. We are offering the following information to connect our local vendors and shoppers. To request additional vendor information, please contact [communityfarmersmarketbg@gmail.com](mailto:communityfarmersmarketbg@gmail.com). We appreciate your help in supporting our local vendors and our local food system.
